Mission Statement

The New Hampshire Banking Department is an executive agency of the New Hampshire state government charged with protecting the public interest by securing the safety and soundness of banks and credit unions, and by licensing non-bank consumer loan lenders and loan brokers.

Functions of the Banking Department

The Bank Commissioner is responsible for the general supervision of all New Hampshire chartered financial institutions. These institutions include commercial banks, fiduciary trust companies, mutual savings banks, guaranty savings banks, co-operative banks, merchant banks, and credit unions. The commissioner is also charged with the licensing and supervision of non-bank first mortgage lenders and brokers, second mortgage lenders and brokers, mortgage loan servicers, retail sellers, sales finance companies, small loan, title loan, payday lenders, and debt adjusters.

State laws mandate that the Department conduct examinations of each financial institution and licensed lender and broker to ensure sound financial management and compliance with state and federal laws and regulations.

The Department is responsible for the investigation of branch applications, new bank applications and conversions, merger and consolidation applications of state chartered institutions.
